

Love to Ski Club™

*March 21st - March 28th, 2015*

[PARK CITY, UTAH](#)- HOME TO "THE GREATEST SNOW ON EARTH"

Park City Resort

Vertical 945 m (3,100 feet), 3,300 acres of terrain

Average annual snowfall 914cm (30 feet)

Elevation: Highest - 3,048 m (10,000 ft ), Base - 2,103 m (6,900 ft)

Terrain: 17% easiest, 52%intermediate, 31% most difficult

Deer Valley Resort

Deer Valley Ski Resort has been rated the #1 ski resort in North America by the readers of SKI magazine for a record five consecutive years. A great place to find almost perpetual powder in the glades and evergreens, Deer Valley Resort is also consistently ranked #1 in dining, guest service, and mountain grooming. Please note that Deer Valley does not allow snowboarders.

Canyons Resort

Canyons is the largest resort in Utah and at 4,000 acres it is one of the largest in North America.
