

Sun Peaks, BC 2017

Sun Peaks Resort

Sunday March 19th - March 26th 2017

Sun Peaks Resort, located in central British Columbia, boasts the second largest skiable terrain in the province, with 3,678 acres across three mountains. Known for uncrowded slopes and virtually no lift lines, you will find terrain for every ability level, including alpine bowls, steep and bumps, cruisers and glades. Protected from the mild, coastal weather by the Coast Mountains, they receive on average nearly 6 metres of Interior BC's famous light, dry, 'easy-to-ski' powder. Sun Peaks' intimate village promises fun, excitement, and adventure. With ski in/ski out accommodation, you can access 3 mountains right from your doorstep. Cruise, carve, and shred down amazing lines, some steep and bold, others gentle and rolling. Descend award winning groomed runs and take pleasure in some of the very best skiing anywhere. Complimentary tours from experienced Sun Guides are available for all skier abilities levels.
