## Big white, BC 2018

### Big White Ski Resort

Saturday March 17th - Saturday March 24th 2018

Big White is consistently ranked as one of the best powder destinations in Canada. In addition to its stellar skiing conditions, Big White Ski Resort is Canada's largest totally ski-in/ski-out resort village, recently awarded as North America's favourite family resort. Imagine a place where 24.5 feet of the lightest, fluffiest snow falls from the heavens each year. After being whisked to the top of the mountain by high speed express chairlifts you can choose between long groomed cruisers, powder filled bowls, tree skiing, or the terrain park. It's a huge mountain experience with 2,765 skiable acres and 118 alpine runs.
