## Klosters, Switzerland 2018

### Davos and Klosters, Switzerland

Klosters is a picture book holiday resort: an elegant chalet-style village, authentic traditions and an international flair with many cosmopolitan customs. The resort of Davos Klosters is large with 56 lifts and 318 kms of piste runs that offers skiers an incredible 1724 metres of vertical descent. Klosters is best suited for intermediate skiers and snowboarders but there is also a lot of terrain for beginners and experts too.
