

Love to Ski Club™

Sun Peaks, BC December 2023

Sun Peaks Resort

Sunday Dec. 10th - Friday Dec. 15th 2023

Sun Peaks Resort, A favorite destination for 'Love to Skiers', is located in central British Columbia, boasts the second largest skiable terrain in the province, with 3,678 acres across three mountains. Known for uncrowded slopes and virtually no lift lines, you will find terrain for every ability level, including alpine bowls, steep and bumps, cruisers and glades. Protected from the mild, coastal weather by the Coast Mountains, they receive on average nearly 6 metres of Interior BC's famous light, dry, 'easy-to-ski' powder. Sun Peaks' intimate village promises fun, excitement, and adventure. With ski in/ski out accommodation, you can access 3 mountains right from your doorstep. Complimentary daily tours from experienced Sun Guides are available for all skier abilities levels.

Insurance

It is strongly recommended that you have medical and cancellation/interruption for a ski trip

Please read your policy carefully to make sure you know the limits of your coverage.

In addition to the policy below there is a 'cancellation for any reason' coverage available for a 17% premium (Please contact Love to Ski Club for more details and insurance quotes.)

Travel insurance offered through Skican Travel must be paid with the trip deposit.

Please Note:

- Air Canada currently charges \$33.90 for the first piece of checked luggage and the second piece is \$56.50 including taxes. (A ski/boot bag together represent a single piece of luggage.) Please check with the airline prior to departure for the current luggage charges and baggage limits.
- Current flight taxes and surcharges are included but these may increase and the price of the trip will have to be adjusted accordingly.
- Generic advanced seating is completed at the time of booking by Air Canada Groups. Specific seat selection is not permitted and members may only change seat assignment at the airport prior to check-in.
- Trip prices are based on minimum number of travelers. Failure to meet this minimum will result in an increased cost per person.
